

Greenwood

721 N 80th St, Seattle, WA 98103

Contemporary, spacious, and full of natural light, three brand new homes in Greenwood await. With multiple floorplans to choose from, there's a layout to fit every lifestyle. The 4-bedroom home features generous open concept living spaces anchored by a sprawling kitchen island that's ready for entertaining, three bedrooms upstairs, a guest room and family room on the lower level, rooftop deck with city views, plus an attached garage. The 2 and 3 bedroom homes include fenced yards, off-street parking, and high-efficiency heat and A/C. With the vibrant Greenwood commercial corridor plus the recreation, shops, and restaurants of Green Lake all located mere blocks away, you won't want to pass these by!
