

## Greenwood

322 N 84<sup>th</sup> St, Seattle, WA 98103

Anchoring a brand-new Greenwood micro-community, this 4-bedroom + den home blends refined comfort with thoughtful entertaining. A large, sunlit main floor links living and dining to a cook's kitchen highlighted by a Bertazzoni induction range; sliders open to a covered deck, an all-season perch for alfresco meals. Upstairs, the primary retreat adds built-in bath cabinetry and a walk-in closet lined with custom shelving, joined by an additional bedroom and a den; two more bedrooms on the lower level create comfortable separation. An attached garage offers private, off-street parking and storage. Moments to Greenwood favorites, like Coyle's Bakeshop, Chuck's Hop Shop, and FlintCreek Cattle Co, near Green Lake and Woodland Park Zoo. A must see!
